Instructions for use

1. Open the box and carefully remove the product.
2. Connect the USB cable of the product to your device (PC, Laptop, Smartphone, Tablet) following the correct alignment with the USB port.
3. Being a product with Plug and play installation, it does not require any additional driver to work. Follow the operating system instructions to complete the installation.
4. Press the keys to use the usual functions of a keyboard.
5. Use the multimedia keys for their dedicated functions: forward / backward / pause / play / volume control, etc.
6. Use the mouse to perform traditional mouse functions such as click, double click and drag, etc.

Packaging content: 1 x USB keyboard

Precautions

Do not damage the connecting cable. Avoid pulling or twisting the cord where it joins the device. Protect the cable from repeated and excessive bending.

Protect the product from excessive moisture. Do not expose this product to rain or damp air. Avoid spilling liquids, as they may cause electric shock or overheat the circuits. Use a dry cloth to wipe off spills.

Protect the product from fire and heat sources. Keep the product away from fire or other sources of heat (stoves, radiators, etc.). Do not leave the product exposed to direct sunlight.

WARNING: It is forbidden to dismantle the product. Attempt to repair this product is not recommended and leads to cancellation of the warranty.

Disposing of the product. Do not dispose of the product or other electronic components with your household waste. Use only specialized electronic waste collection centers.

WASTE DISPOSAL:

The adjacent symbol indicates that your product and / or its battery must be disposed of separately from household waste in accordance with local laws and regulations. When this product reaches the end of its life, take it to a collection point designated by the local authorities. For information about the local collection centers, please contact the town hall of your locality or access the page www.ecotic.ro

We hereby declare that our product is in compliance with Directive 2014/30 / EU.
